Bilateral Meetings

- 15:20-15:40
- 15:40-16:00
- 16:00-16:20

Description

The Centre for Research and Technology-Hellas (CERTH) is one of the leading research centres in Greece. CERTH is a legal entity governed by private law with non-profit status, supervised by the General Secretariat for Research and Technology (GSRT) of the Greek Ministry of Education, Research and Religious Affairs. CERTH has important scientific and technological achievements in many areas including: Energy, Environment, Industry, Mechatronics, Information & Communication, Transportation & Sustainable Mobility, Health, Agro-biotechnology, Smart farming, Safety & Security, as well as several cross-disciplinary scientific areas. CERTH has received numerous awards and distinctions such as the European Descartes Prize, the European Research Council (ERC) Advanced Grant, Microsoft International Contest Prize, the Trading Agents Competition Award and many more and is listed among the Top-20 of the EU's Research Centres with the highest participation in HORIZON 2020 competitive research grants.
