Description

The Institute of Entrepreneurship Development is a research organization established in 2005, focused on the promotion of entrepreneurship for everyone. The organization's main activity is the implementation of projects under some of Europe's most influential and groundbreaking Programmes like the HORIZON 2020 and the ERASMUS+ programmes. Through all these years of activity, iED has developed innovative products and services in the ICT sector focusing to the promotion of entrepreneurship and access to EU funded programmes.
